# A SERVICE OF HOPE IN LOSS

## *ADVENT*

THE CHRISTMAS SEASON IS NOT ALWAYS HAPPY.

If you have lost someone you love; if you have lost a job, your good health, or a special relationship. If you're anxious about national and world events. If you struggle to get through the day or to find joy in the midst of all the Christmas merriment, we understand.

That's why we have put together a gentle service to speak to your hurt and offer hope for your future. Please join us as we gather together to acknowledge our losses and find comfort through readings, music, and candle lighting.

Whether your grief is deeply personal or carried for another. Whether it is close to home or global, you are invited to bring whatever is weighing on your heart, mind and spirit and know that God sees you and stands with you.

A SUNDAY AFTERNOON IN EARLY DECEMBER

*Food and beverages are offered after the service.*
